### A Note From the Principal

Dear Cottonwood families,

During the months of March and April Cottonwood students in grades 3-5 will be taking State Assessments. These tests compare our students with other students throughout the state and are designed to help indicate how well your child is learning and also help the school see how well we are teaching. Your child's results become a part of their school record.

These tests are important. Please help your child prepare for these tests by encouraging them to do their best.

Do not schedule appointments during testing. Regular attendance, adequate rest, and a good breakfast will also help your child perform to the best of their ability.

Kyle Griffitts, Principal
